Chairman's Report

As always a big hello, welcome to all our new members receiving their first copy of Tight Lines.

Please take a little time to read your Tight Lines and if possible support the competitions and events your fellow members have taken the time to organise for you.

I have nothing to say that I have not said in previous years so I will keep it brief and just ask you to support the club by popping in for a drink or two whenever you can.

PLEASE SUPPORT THE CLUB AS MUCH AS YOU CAN.

Thank You

Steve Holgate

BAR COMMITTEE REPORT

Since August 1st when Hayley left for Maternity leave, all of our Staff have taken on more responsibilities to cover extra work. A lot of hard effort has been put in to keep the bar operating and this is much very appreciated by the Management Committee.

The price of beers wines and spirits has remained stable since March 2016, and no general supplier price increases are expected between now and early in the New Year. Bar takings were good up to June, but have deteriorated in the last few months as we have had less events in the second half of the year compared to 2015. If any members have a special occasion or event planned and you want to use the Clubhouse as a venue, please talk to Bar Staff and tell us what you need, and we will do our very best to make it happen.

BT.Sport. New improved Sports package now in place. More Football, More Rugby and More Motor sport.

With Christmas approaching the Bar will be opening up for events and key football matches on BT Sport over the Christmas week, so come down and watch the footy with us over the Xmas break.

Our Sunday Pool team have returned for this winter season and are doing well in their league, and we have a couple of New Skittle teams for the winter league, The *Breakaways* will play on a Thursday and the *Out in the Sticks* on a Friday, we say welcome to you all and hope you enjoy your membership of the Sea Anglers.

The summer skittles had a good season with a full complement of eight teams supporting the league. Unfortunately we have recently lost Joe's Quiz on a Wednesdays night after a disagreement, and Undoubtedly the loss of the quiz will impact upon bar takings and profits.

Another solid year with some good fish weighed in at the club, we also fared well in the Torbay and Dartmouth Festivals.

Amongst the notable fish recorded this year we had 6 new club records in the sea sections.

From Shore Matt Skelly had a L.S.D. 3-5-8 and Fran Dack had a Bass of 3-15-0.

Not to be out done the freshwater section had 3 records.
Tony Deeks Brown Trout of 3-10-1, Stuart Jay had a Rainbow Trout of 11-14-6.
In the junior section Finley Paull had a Silver Eel 0-11-0.

Well done everybody.

Mike wall organised a junior boat trip, this was well supported and a good time was had by all, he also ran a charity Freshwater competition for the RNLI raising in excess of £100.

A reminder that we do have tackle for hire in the club for a nominal fee, should anyone wish to hire equipment please contact Mike Wall.

Thanks to those, both senior and junior members, who are taking time to promote angling for the juniors.

Leagues 2016/17

The season will soon be upon us. Both Sea and Freshwater Leagues start on December 1st.
There is currently a review of the league formats so keep your eyes on the club website for details.

I would like to thank all the members of the fishing committee for their efforts and contributions this year. Not forgetting Mike Roberts & Tom Underwood for all their hard work with the fish records.

New faces are always very welcome on fishing committee.
